NO DUES INCREASE and AUTOMATIC PAYMENT

At the Meadow Creek Annual meeting on December 5th, the Association will vote on the proposed 0.0% increase in the dues for 2010. This is your official notification that there will be *no* change in your automatic monthly payment. The amount of your automatic payment will not change form the amount(s) for 2009.

If you choose to discontinue your automatic payment, the Association Office must have your request in writing. Please complete the lower part of this form, and then detach and return it to the Association office. **Requests to discontinue automatic payment *must* be received in the Association Office at least one (1) business day before the scheduled transaction.**

If you do not notify the Association Office by Monday, November 30th, of your intention to discontinue your automatic payment, a 2010 payment coupon book will ***not*** be ordered for you. **If you do not contact the Office, the assumption will be that you are continuing your automatic payment for 2010.**

Automatic payments are processed, so that the payment comes out of your account on the 5th of each month, or the first business day following the 5th.
