

Spring

Yes, spring is finally here!

We would like to bring your attention to a few items:

- Windows may be opened for brief periods of time as long as you are home. Please ***Do Not*** leave your unit with the windows open as the boilers are still running at this time and could result in a fine.
- To all 1st floor residents. Now that the snow has melted, please remember the policy for patios that allows you to have appropriate outdoor furniture, grills, properly potted plants and approved outdoor storage containers. *(Keep in mind that we do have storage lockers available for you to rent for the bulky items such as bikes, coolers etc. Call the office for locations.)*

By following these simple guidelines, notices and fines can be avoided.

Thank you for your cooperation!
